Program Objective

Program will prepare a student for NTSE, class VIII school exams and competitive exams like IIT-JEE, PMTs etc. by developing strong reasoning & analytical abilities. It is a tailor-made program for students, who wish to start their academic career with sweet taste of success, right from class VIII. The NTSE Foundation program is one such stepping stone, which will give the student a start which will make success a habit for his/her rest of academic career.

Program Description

NTSE Foundation program will offer high quality and easy to understand study material that will help students in understanding the fundamentals of Science & Mathematics. Our expert teachers have focused on clarifying the concepts to the finest details, while developing the study material. The study material will ensure increase in a student's IQ and reasoning ability. These abilities are highly indispensable in developing a strong foundation for success in a student's career.

The study material includes nicely prepared theory and a series of practice exercises with different kind and types of questions to give the student a complete exposure of the concepts. In addition, there will be Unit-wise and despatch-wise test papers of part-wise and combined syllabus.

There will be a total of 16 tests. Out of 16 tests, 3 tests will be on part-wise syllabus of Science and 3 tests will be on part-wise syllabus of Maths. There will be 1 test of complete syllabus of Science and 1 test of complete syllabus of Mathematics. In addition, 2 tests on complete NTSE pattern will also be provided, along with 4 tests on Olympiad Pattern (2 tests in Science and 2 tests in Mathematics).

Online Tests: One online test on complete syllabus of Mathematics on IIT-JEE pattern and one online test on complete syllabus of Science on PMTs pattern will also be conducted.

The Olympiad pattern tests will be on Multiple Choice pattern. This will not only help them improve their examination temperament but also hone their ability to think quickly in a stipulated time, which actually are two key elements required for success in any competitive exam.
